

## Lesson 4: Quiz, part b

1) Identify as noun or verb each form listed as in the model given. Then write in the space provided the corresponding form of the word requested in each instance.

Examples:

| Form given | Identification                 | Translation        | Write the corresponding form of:  |
|------------|--------------------------------|--------------------|-----------------------------------|
| ἀκούει     | VERB: Pres Indicative, 3 sg    | He/she/it hears    | πείθω                      πείθει |
| πόνω       | NOUN: 2nd decl. neuter, dat sg | to, for, with toil | χαρά                      χαρᾶ    |

| Form given | Identification | Translation | Write the corresponding form of: |
|------------|----------------|-------------|----------------------------------|
| λέγεις     |                |             | ἔχω<br>_____                     |
| εἰσὶν      |                |             | παύω<br>_____                    |
| πιστεύσω   |                |             | πείθω<br>_____                   |
| μὴ φεῦγε   |                |             | λέγω<br>_____                    |
| δαυμάζομεν |                |             | φέρω<br>_____                    |

| Form given | Identification | Translation | Write the corresponding form of: |
|------------|----------------|-------------|----------------------------------|
| ἔργω       |                |             | λόγος<br>_____                   |
| γνώμαι     |                |             | τύχη<br>_____                    |
| ἀδελφοῖς   |                |             | κόρη<br>_____                    |
| πόνους     |                |             | γνώμη<br>_____                   |
| χώραν      |                |             | φίλος<br>_____                   |

2) Translate into Greek only the underscored words, using the noun ἀγορά, ἄγος, ἡ (townsquare).

|  |  |
|--|--|
| The child plays <u>in the townsquare</u>       |  |
| We were running <u>to the townsquare</u>       |  |
| Are you coming <u>from the townsquare?</u>     |  |
| Let him walk <u>across the townsquare</u>      |  |
| Sacrifices were offered <u>in town squares</u> |  |
