

*Review of agreement between adjectives and nouns (Lessons 1-6)*

Write in Greek the expressions requested, using the vocabulary given. You will avoid mistakes if you first write the noun in the case that is expected, then choose the gender of the adjective that you will apply, and find in that column the same case and number as the noun with which it needs to agree.

θηρίον, ου, τό = beast

ἔργον, ου, τό = work, deed
