When calling, ask for the Society for French Historical Studies room rate- **\$109 +tax for single or double occupancy**. Graduate students should request the **graduate student rate of \$54.50 + tax** per night. *Please note that there are only a limited number of rooms available at the graduate student rate.*

It is recommended that you make a reservation as early as possible because the number of rooms is limited. Early reservations are also particularly important if you require a room after the meeting: the rate is applicable for up to three extra days, if a room at a particular rate is available.

The deadline for reservations at the reduced rate is **February 13, 2007**.

### **Parking at the Doubletree Hotel**

Valet parking only, \$22.00 (discounted on weekends).

We recommend contacting one of the shuttle services below to make a reservation, although representatives are available in baggage claim. Taxi and car rental services are also available. A one-day car rental can be less expensive than a round trip cab fare. If taxi, ask for the fixed zone rate.
